Tuesday, May 21, 2019 Hayward High School	Last Day to Register Make Checks Payable to	May 26, 2019 (9:30PM) Project Graduation
Participate in both events and the COMBINED price is \$35 (Save \$15) If writing one check, make payable to Hayward High School.		

The **Senior Class Trip** is a final opportunity for the graduation seniors to enjoy a day of fun, laughs, food and a roller coaster or two with their fellow classmates. Seniors will meet in the Hayward High School Commons at 6:30A on May 24th, 2019 for juice and donuts before loading buses for Valleyfair. The group will return around 9:00PM (depending on when we leave the park) to the Main Parking Lot of the High School.

Project Graduation is a substance-free all night graduation, lock-in party for the new Hayward graduates. It provides a safe environment for seniors to celebrate their last school event together. Local businesses, individuals and parents have been very generous and have hosted this event for many years. If your parent would like to be involved please contact Mr. Shilling.

Graduates meet at Hayward Middle School on the evening of their graduation with registration from 8:30-9:30pm. The Hayward Middle School will house the lock-in for 2019. Activities at the lock-in include: games, music, and much more! Graduates win prizes throughout the event and a great selection of food is provided all night! The Grand Prize drawing will be held before the kids are sent home at 3:00AM.

Parents of Seniors: Community members have requested a chemical-free 2019 graduation class party. As parents of seniors, we hope you will encourage your child to participate on May 26th, 2019, and make your plans accordingly. We realize this is a very busy time of year for you, any amount of help you can give would be greatly appreciated. We can guarantee you will enjoy the wonderful group of people who work on this event.

Please contact senior class advisor Matt Shilling (ext. 9611) (mshilling@hayward.k12.wi.us) if you have any questions.
