

# Hayward Dual Enrollment Construction Essentials Academy

## Technical Diploma 9 credits

This academy provides the knowledge and skills necessary for job success in the construction industry. Learn the fundamentals of building design, energy efficiency concepts, construction, layout operation, related mathematics, print reading, estimating, and materials of industry. In addition, the program can lead to a two-year technical diploma in Construction and Cabinetmaking.

*Student focused and industry driven!*

**WITC's Construction Essentials Academy graduates are well-prepared to step directly into a variety of careers such as:**

- Construction worker
- Construction/carpenter laborer
- Carpenter assistant
- Carpentry framer

### Next Steps:

1. Meet with your High School Guidance Counselor/Dual Enrollment Coordinator to see if you qualify for the WITC Dual Enrollment Academy.
2. Attend a Dual Enrollment Informational Session at WITC or your high school.
3. Complete a WITC Dual Enrollment Academy Application and submit it to your High School Guidance Counselor/Dual Enrollment Coordinator for approval.

 UW Stout

**Important Notes on Transferring:**

- Check out [witc.edu/transfer](http://witc.edu/transfer) for details on specific agreements listed below
- The colleges listed above have developed a Technical Diploma to Bachelor Degree Articulation Agreement with WITC
- To learn how your education, or previous college credits, will transfer, talk to a transfer coordinator, at any of the four year colleges listed, to learn how to maximize your credit transfer opportunities
- Transferology: [www.transferology.com](http://www.transferology.com), or Transfer Evaluation System (TES), may be helpful tools to assist your transfer process

If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with WITC staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented.  
 \*\*Wage and employment data is compiled from the 2017 -2018 WITC Graduate Follow-Up Report. Data is unavailable for the Architectural Woodworking and Cabinetmaking program as it is a new program
