

HAYWARD HIGH SCHOOL STUDENT & PARENT HANDBOOK

Dear Parents,

Welcome to Hayward High School! Here at HHS, the administration and staff pride ourselves on our continuous commitment to ensure a safe, welcoming environment and the best education possible for all students.

One way to help communicate to all students, parents and staff members is to make available our [Hayward Community Schools Events Calendar](#) and our [Hayward High School](#) website at <http://www.hayward.k12.wi.us>. Please use these links to keep informed of all events and activities your child may be involved in throughout the year.

You may be interested in arranging an appointment to discuss your child's schedule, or educational progress. We encourage a strong partnership and teamwork between families and school. Appointments for school counselors, administrators, or a teacher can be made by calling the high school office.

Our district motto is **"Win the Day!"** The entire educational community will focus our efforts on winning the day, every day, to ensure a positive and successful educational experience for all students entering our high school.

Please take the time to read and understand the 2022-2023 Student/Parent Handbook. Students are responsible for the expectations included within the handbook. **Not reading the student/parent handbook is not an excuse for not meeting the expectations within the handbook.** This handbook does not include everything that may possibly happen during the school year. If any situation not specifically covered should arise, the administration and teaching staff will make every effort to act fairly and quickly to resolve the issue and communicate with the parents in a timely manner.

"Win the Day!"

Mr. Dan VanderVelden

HHS Principal

Attendance

COMPULSORY SCHOOL ATTENDANCE

Regular attendance at school is required by Wisconsin State Law but is also the key in the development of the child. Regular attendance at school has shown to improve academic growth, knowledge, confidence, friendship and self-reliance. The home and school should regard it a prime responsibility to assist students to develop good habits of attendance.

State Statute 118.15(c)

ATTEND AND ACHIEVE

We ask that when a student is absent from school that a parent/guardian call the school office at 634-2619, ext. 9501 before 8:30 a.m. and inform the school of the student's name, grade and the reason for his/her absence, or the student must report to the office with a written excuse signed by his/her parent or guardian indicating the date(s) and reason for the absence or tardiness. Students are expected to submit an excuse on the day they return. Compulsory school attendance is covered by *State Statute 118.15* which states that any person legally responsible for a child who is between the ages of 6 and 18 years shall cause the child to attend school regularly during the full period and hours, religious holidays excepted, that the public or private school in which the child should be enrolled is in session until the end of the school term, quarter or semester of the school year in which the child becomes 18 years of age, or has graduated from high school.

EXCUSED ABSENCE/TARDY

An absence or tardy is considered excused when parents are aware of absence or tardy *and* school administration judge to have occurred because of an appropriate reasons. These reasons may include, but are not limited to:

1. Illness or injury
2. Medical or dental appointments
3. Death in the family and subsequent funeral days
4. Marriage in the immediate family
5. Participation in a school-sponsored event
6. No bus transportation, unless due to loss of riding privileges or missing the bus
7. Local inclement weather conditions
8. Religious meeting or church attendance
9. Court attendance or court-imposed consequences
10. Family emergency: Parents need to call the school office each to explain the emergency and expected length of absence.

LIMIT OF 10 DAYS EXCUSED ABSENCES

If a student has been absent all or part of ten (10) days during the school year or all or part of four (4) consecutive days due to illness, the district requests the parent/guardian obtain a written statement from a physician or licensed practitioner attesting to the specific dates, and physical or mental condition of the student. Such excuses will be made in writing or electronically sent to school by the physician's office and shall state the period of time for which the absence is valid. If this statement is not provided, then the absence will be unexcused.

State Statute 118.15(c)

PRE-ARRANGED ABSENCES

If the student knows in advance of the situation, the student should complete a pre-arranged absence form. A pre-arranged form must be completed, signed (by both parent and student) and submitted to the office prior to the absence. It will be the obligation of the student or parent to pick up a pre-arranged form in the office. Unless the form is fully completed and returned to the office, the absence will not be recorded as pre-arranged. In cases where absences have been pre-arranged and the teacher has provided prior notice of a due date, assignments must be submitted in accordance with the time frame indicated by the teacher. A zero may be recorded for any assignments that have not been completed by the end of the agreed time frame.

TRUANCY

Any absence, for part or all of one or more days, from school during which the school attendance officer, principal, or teacher has not been notified of the legal or excusable cause of such absence by the parent or guardian of the absent pupil, the pupil will be considered to be truant from school and subject to the consequences of a truant.

Compulsory School Attendance State Statute 118.15.

TARDY POLICY

Student Responsibilities

Each student has the responsibility to report to school and scheduled classes on time. A bell indicates the beginning of each class period. Students are required to be in their assigned classroom when the bell rings. If the student has been detained by a staff member or has been in the office, he/she should ask for a late pass from the staff member or office before going to the next class.

Teacher Responsibilities

Teachers will record all tardy students accordingly in their Skyward attendance within the first 15 minutes of class. The Office will assign consequences for 1st period tardies; teachers will be responsible for assigning consequences/detentions for their 2nd, 3rd, 4th and 5th period classes. A student is considered "tardy" if they arrive within 15 minutes of class starting. After that they will be considered absent even if they attend the majority of class.

1st Period Tardy Procedures

1. Late arrivals should report to the office for a tardy pass; the Office will record in Skyward.
 - a. 1st tardy- warning and sent to class
 - b. 2nd tardy- warning and conference with administration
 - c. 3rd tardy- CANE Card may be confiscated, lunch detention and conference with administration

2nd, 3rd, 4th, 5th Period Tardy Procedures

1. First tardy will receive a verbal warning from the teacher.
2. Second tardy will receive a verbal warning from the teacher and informed that the next tardy will result in a half-hour detention.
3. Third tardy will receive a teacher-assigned half-hour detention.
4. Subsequent tardies may result in student being sent to the office with a written discipline referral. Consequences may include, but are not limited to, detentions, ALAC placement, a referral to law enforcement for truancy and loss of CANE card.

Second Semester- Student tardies will be cleared and process begins again at 1st level. ***Chronic and/or persistent tardiness will cause the student to be considered blatantly refusing to follow school rules. The disciplinary consequences will be enacted according to the District Discipline Policy.***

HABITUAL TRUANCY

A student is considered, by law, to be a habitual truant when he/she has been absent from school without an acceptable excuse for part or all of five (5) days on which school is held during a school semester.

Truancy/Unexcused Absences

An unexcused absence is defined as an absence, which school officials judge to have occurred because of inappropriate reasons, including students reporting late to class fifteen (15) minutes or more without an excused pass.

Students with unexcused absences will NOT be given an opportunity to make up missed assignments for credit. Homework will receive zero credit. All participation grades missed due to unexcused absences will receive zero credit.

Consequences

Consequences for Unexcused Absences/Truancy/Habitual Truancy

1. First Unexcused Absence
 - a. Principal/Assistant Principal - student conference
 - b. Parent/guardian contact (phone call)
2. Second Unexcused Absence
 - a. Principal/Assistant Principal - student conference
 - b. Parent/guardian contact (letter of concern)
 - c. Lunch Detention
3. Third and Fourth Unexcused Absence
 - a. Principal/Assistant Principal - student conference
 - b. Parent/guardian contact with a truancy referral
 - c. Truancy Officer referral
 - d. Begin the Sawyer County Human Services truancy referral process
 - e. Loss of hall pass privileges and lunch detention
4. Fifth Unexcused Absence/Habitual Truancy
 - a. All consequences and intervention for previous unexcused absences will be reviewed.
 - b. Conduct truancy meeting with the student, parent, assistant principal, truancy officer and counselor
 - c. Referral to appropriate agencies/services
 - d. Truancy Citation and Truancy Court appearance

*Additional unexcused absences will include the Truancy Court referral process. Appropriate letters will be sent home from the school, as unexcused absences occur to notify the parent/guardian of the problem and consequences.

AGE OF MAJORITY

All students at Hayward High School must follow school rules. Students who have reached their 18th birthday may be allowed to originate their own excuse for absence when an age of majority contract is agreed to by the parents/guardians and administration. Contract must be completed, submitted to the high school office, and reviewed by an administrator. The student is still bound by the same set of expectations as listed in the school attendance policy.

COMPLETION OF ASSIGNMENTS

Students are required to complete all assignments satisfactorily based on the teacher's expectations and standards. All absences, both excused and unexcused, including suspensions, may result in missing class assignments. **It is the responsibility of the students who are absent to secure a list of all missed assignments from all teachers. Excused students will be allowed one school day more than the number of days missed for the completion of all assignments.** For example: A student who misses five consecutive days of school would be allowed six school days to complete assignments. It is the responsibility of the student to complete all make-up assignments within the required time lines. At the end of this timeline, a zero may be recorded for any assignments that have not been completed. If a student does not make-up assignments within the required time lines, the student may be allowed (at the discretion of the teacher and administration) to attend after-school tutoring or ALAC to complete the work and receive credit. The principal and assistant principal have the discretion to extend make-up work time lines in cases of long-term illness, family crises, or other extenuating circumstances.

CANE CARDS

Students in “good standing” will be in possession of their individual CANE Card which allows the student privileges that include Junior/Senior open campus, participation in school activities, hall passes, and other privileges under the discretion of school administration.

Good Standing is defined as:

- No habitual truancy referrals
- No outstanding detentions
- No discipline referrals resulting in out-of-school suspension or in-school suspension
- No failing quarter grades

Students not meeting the above criteria may have their CANE Card confiscated by Administration. Administration also has the right to revoke a CANE Card.

HALL PASSES

Students are not permitted in the halls or restrooms during class periods without a CANE card or hall pass. Students are to bring all necessary materials to classes and study periods. All passes and CANE cards must be shown to school personnel when requested.

HALLWAY PASS PRIVILEGE PROCEDURE

Hall passes written by school personnel will be used by the students of Hayward High School to travel from one location in the school to another. Being allowed a pass to leave the classroom is a privilege, and students earn this privilege by following school rules.

When using the Hallway Pass Privilege students and staff will use the following procedures:

1. A pass may be issued at the discretion of the staff member.
2. Students who fail to follow school rules will be denied a pass privilege.

NOTE: Students who have their CANE card privileges withheld will have their names posted on a “NO PASS LIST.” Students on this list should not be in the hallway during class periods unless they are escorted or under direct supervision of a staff member.

HOMEWORK REQUESTS

Parents may contact the high school office to request homework for absences due to illness. However, the most effective method to request homework is by emailing individual teachers.

CLOSED CAMPUS

No student is permitted to leave the campus without first receiving permission from school authorities. It is mandatory for each student to present either a written excuse or have a telephone call from his/her parents/guardian stating the reason for requesting a leave. The student will be issued a pass granting permission to leave the campus. This regulation is in effect during school hours from the time the student first arrives on school premises through dismissal. Students who leave campus without approval from school authorities will be considered unexcused/truant. Students who violate this regulation are subject to disciplinary action.

OPEN CAMPUS

Leaving campus for lunch during school days is a privilege for Juniors and Seniors who are in good standing and have their CANE Card. Students must have a parent/guardian consent form in the high school office that gives permission to leave during his/her lunch period, ride with another student, or take passengers in his/her vehicle.

WORK PASSES

Minors may not be employed during the hours they are required to attend school as defined in section 118.15 (Compulsory School Attendance) of the Wisconsin Statutes. To be eligible for an exception to this statute the student must be enrolled in our school to work experience program.

DETENTION

Detention is a penalty for violating school regulations. Detentions will be assigned by staff members where the individual case warrants. All lunch detentions will be served in the ALAC room.

1. The detention must be served on the assigned date. Students who are late for detention will serve the remaining time of that detention and receive an additional detention.
2. Students who are absent on the day of an assigned detention must serve it on the day they return to school.
3. Students must serve the detention before participating in any co-curricular activities.
4. Students will follow this procedure when assigned a detention:
 - a. Sign the detention slip when issued the detention. This is required so the student has a record of the detention time and date. Students who refuse to sign a detention slip are still responsible to serve the detention on the assigned date. Students will be given a copy of the detention slip.
 - b. Students who refuse to serve a detention will receive an additional detention. Refusal to serve a second detention will receive a discipline referral for insubordination and disciplinary consequences to include, but not limited to placement in the Alternative Learning Academic Center or an out-of-school suspension.

WITHDRAWAL FROM SCHOOL

Wisconsin Statute 118.15 of the Wisconsin Compulsory School Attendance Law requires that individuals must attend school or some approved educational program until the end of the school term, quarter, or semester of the school year in which the individual becomes 18 years of age. The following procedure must be completed:

1. Secure a withdrawal form from the high school office.
2. Return books to each teacher and secure his/her signature on the withdrawal form.
3. Return books to the library and secure the librarian's signature.
4. Remove personal belongings from P.E. locker, get signature from a P.E. teacher.
5. Clean out the locker.
6. Return Chromebook, bag and charger to TIS specialist.
7. Return completed withdrawal form to office.
8. Pay all outstanding school fees.

When all the above procedures are completed records are forwarded to the new school.

ALCOHOL AND/OR OTHER CONTROLLED SUBSTANCES

The Hayward Community School District believes students have the right to attend school in an environment that is free from alcohol and controlled substances. These substances interfere with the learning environment of students and the performance of students and employees. Hayward Community Schools will establish a comprehensive Alcohol and Other Drug Abuse Program, which includes education, student assistance, staff development, family support, and youth-oriented activities.

The A.L.A.C. placement will provide students with an opportunity to change their behavior to continue their attendance at school. The length of A.L.A.C. placement is determined by the administration.

ACADEMIC HONESTY / PLAGIARISM

Hayward High School regards academic honesty as a cornerstone of its educational mission to "Achieve." It is expected that all school work submitted for the purpose of meeting course requirements represents the original efforts of the individual student. All work submitted by a student should be a true reflection of that student's effort and ability. If such is not the case, then the student has demonstrated unacceptable academic behavior and is subject to disciplinary action. Administrators, faculty, students, and families are all important contributors to the upholding of academic integrity in the school learning community.

A number of actions are specifically prohibited by this section which includes, but is not limited to: test taking, homework, class assignments, and the original creation of essays, compositions, term papers, the use of the same work in more than one course, and scientific research.

This list of examples covers the more common violations, but it is not intended to be exhaustive.

1. Examinations: Any student giving or receiving assistance during an examination or quiz violates this section.
2. Plagiarism: Any form of plagiarism violates the Academic Honesty policy. Plagiarism is defined as the submission or presentation of work, in any form, that is not a student's own, without acknowledgment of the source.
3. Use of the same work in more than one course: Submission of the same work in more than one course without the prior approval of all teachers responsible for the courses violates the Academic Honesty Policy.
4. Electronic transmission of documents, information, or answers to students will be considered academic dishonesty.

Consequences may include but are not limited to:

Second Violation - written referral, zero on the assignment/test, ALAC placement, removal from class with a final grade of an "F" in the class, athletic code violation.

CONFLICT RESOLUTION

Students who have conflicts with other students must make an attempt to resolve these issues by seeking out an adult in the building. Consequences for students who threaten, harass, intimidate, or fight will be handled in accordance with the District Discipline Policy.

COMPLAINTS/CONCERNS

Students who have complaints or concerns should come to the office and meet with an administrator to discuss their concerns/issue and when needed complete a District Incident form.

CONDUCT AND PARTICIPATION AT HOME OR AWAY CO-CURRICULAR EVENTS

Students attending co-curricular events or any school-sponsored activity are to abide by all school rules. Violations will be handled as if the incident occurred during school in accordance with the District Discipline Policy.

Attendance at co-curricular events is a privilege. Spectators will conduct themselves appropriately in an educational setting and display good sportsmanship and respect for all. Inappropriate behavior will result in removal from the venue or event.

First Offense: Suspension from attending the next three (3) home athletic contest dates.

Multiple contests on the same date are considered to be one date.

Second Offense: Suspension from attending the next six (6) home athletic contest dates.

Multiple contests on the same date are considered to be one date.

Third Offense: Suspension from attending all co-curricular events (athletic contests, dances, performances) for the remainder of the school year. Attendance at away games during the suspension is not allowed and is not counted toward the dates of suspension. Violation of this rule will result in an additional three (3) home dates of suspension and additional discipline referral.

Severe Clause: The Administration reserves the right to exceed the above steps and consequences on an individual basis for conduct of such serious nature as to affect the operation and function of the school system or any of its co-curricular programs.

PARTICIPATION AT CO-CURRICULAR EVENTS Participating in a school event as a spectator, athlete, competitor or volunteer requires that a student be in good standing. Students who violate school rules can be excluded from co-curricular activity participation. The school administration has the authority to exclude any student who is in violation of school rules from attending or participating at school events.

THREATS OF VIOLENCE/ILLEGAL ACTS

Students are encouraged to report any threat of violence or other illegal acts on school property. Students may report to school personnel such as teachers, counselors, administrators, coaches, and the school resource officer. Students who report threats of

violence or other illegal acts will remain anonymous. These reports will be investigated and taken seriously.

Students are expected to inform the administration immediately when they have knowledge or suspect that a confrontation between or among students may occur. To encourage or allow a violent act to take place creates an unsafe situation in the school and would be considered active participation.

Active Participation in a Violent/Illegal Act - Offering support to a student who is confrontational, intimidating, harassing, bullying, threatening, or fighting is a violation of school rules. Student(s) who offer assistance or support to another student who is involved in an act of violence or illegal act are subject to disciplinary consequences to include but not limited to suspension out of school, recommendation for expulsion, and a referral to law enforcement.

Note: More than one student supporting or encouraging a violent act of another student can be considered gang-like behavior, and will be dealt with by the administration according to the Gang and Gang-Related Behavior Policy.

Harassment and/or bullying of students will not be tolerated in the Hayward Community School District, which includes any property or vehicles owned, leased or used by the schools. Students who engage in harassment and/or bullying in violation of this policy and/or retaliating against an individual for reporting harassment and/or bullying shall be subject to school disciplinary measures consistent with District policies and procedures up to and including suspension and/or expulsion.

IMMUNIZATION COMPLIANCE

Any student not meeting state-mandated immunization requirements can be excluded from school for up to 10 days. A student entering the Hayward Community School District has a full school year plus 30 days into his/her second year to meet requirements before exclusion would occur. During the first year legal notices are sent out at state-mandated intervals to all parents/guardians of noncompliant students. After 3 notices, if the student is still not compliant with required immunizations, that student's name is sent to the District Attorney for possible legal action. If for some reason a student returns their second year and has still not met those first year requirements, a notice will go to the parent/guardian on the 15th school day and if still not compliant by the 30th school day that student will be excluded from school.

Parents/guardians do have the option of signing a waiver on immunizations for religious, medical or personal conviction reasons.

LOITERING

MEDICATION ADMINISTRATION

It is recommended that medication be administered to students at home rather than at school whenever possible.

Before any prescription medication may be administered to a student, school personnel must receive written parental consent and written instruction from the student's physician. Written instructions and parental consent must also be obtained before any non-prescription medication may be administered to students.

Parents must complete and sign a non-prescription or prescription medication form, which notifies the high school administration of medications that are being taken or administered at school. The **Parent's Consent Form** and the **Physician's Order Form** are available in the high school office.

MOTOR VEHICLES/ATVS/SNOWMOBILES

Driving vehicles and parking on school property is a privilege for students. Those who do drive vehicles on school property have the responsibility to follow the regulations that are established. Those regulations include the following:

1. **Vehicles parked on school property will be subject to searches by the administration or designee based on reasonable suspicions that the vehicle contains illegal or dangerous objects defined in the student handbook. If a student enters his/her vehicle during the school day without permission or a pass, the vehicle may be searched.**

2nd Offense: Four-week suspension of parking privileges

3rd Offense: Loss of parking privileges for the remainder of the school year.

Severe Clause: Students who exhibit reckless and irresponsible use of a motor vehicle are subject to loss of parking privileges, suspension out of school, and a referral to law enforcement.

Motor vehicles parking in a no parking or restricted area may be subject to a parking fine and/or be towed at the owner's expense.

SKATEBOARDS

Skateboarding on school property creates an unsafe situation for students and staff and is not allowed.

PUBLIC DISPLAY OF AFFECTION

Public display of affection is inappropriate behavior in school. Such behavior as embracing, holding hands, hugging, petting and/or kissing in school is offensive to other students and faculty. Students reported to the administration for PDA are subject to disciplinary action.

PERSONAL ELECTRONIC DEVICES

Hayward High School recognizes that, in this day and age, electronic technology is very much a part of students' and families' everyday lives. We feel it is time to embrace this reality. Therefore, in an attempt to keep our students engaged in learning, HHS has a cell phone policy. By managing the environment in which cell phones are used, HHS will be able to focus on learning, as well as providing students with the opportunity to demonstrate and develop cell phone/personal electronic device etiquette.

"PERSONAL COMMUNICATION DEVICES "PCDs" (District policy #5136)

Students may use PCDs before and after school, during their lunch break, in between classes as long as they do not create a distraction, disruption or otherwise interfere with the educational environment, during after-school activities (e.g., extra-curricular activities), or at school-related functions. Use of PCDs, except those approved by a teacher or administrator, at any other time is prohibited and they must be powered completely off (i.e., not just placed into vibrate or silent mode) and stored out of sight.

However, technology including, but not limited to, PCDs intended and actually used for instructional purposes (e.g., taking notes, recording classroom lectures, writing papers) will be permitted, as approved by the classroom teacher or the building principal. The use of a PCD to

engage in non-education-related communications is expressly prohibited.

Students may not use PCDs on school property or at a school-sponsored activity to access and/or view Internet web sites that are otherwise blocked to students at school.

Students may use PCDs while riding to and from school on a school bus or other Board-provided vehicles or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, classroom teacher, or sponsor/advisor/coach. Distracting behavior that creates an unsafe environment will not be tolerated.

During after-school activities, PCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight when directed by the administrator or sponsor.

Under certain circumstances, a student may keep his/her PCD "On" with prior approval from the building principal.

PCDs, with cameras or any other recording capabilities, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, classrooms, gymnasiums, locker rooms, shower facilities, rest/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The District Administrator and building principals are authorized to determine other specific locations and situations where use of a PCD is absolutely prohibited.

Students shall have no expectation of confidentiality with respect to their use of PCDs on school premises/property.

Students may not use a PCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed, or intimidated. See Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior. In particular, students are prohibited from using PCDs to: (1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, color, national origin, sex (including sexual orientation/transgender identity), disability, age, religion, ancestry, or political beliefs; and (2) engage in "sexting" - i.e., sending, receiving, sharing, viewing, or possessing pictures, text messages, e-mails or other materials of a sexual nature in electronic or any other form. Violation of these prohibitions shall result in disciplinary action. Furthermore, such actions will be reported to local law enforcement and child services as required by law.

Students are also prohibited from using a PCD to capture, record, and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using PCDs to receive such information.

Possession of a PCD by a student at school during school hours and/or during extra-curricular activities is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise abuses this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the PCD. The building principal will also refer the matter to law enforcement or child services if the violation involves an illegal activity (e.g., child pornography, sexting). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the PCD is confiscated, it will be released/returned to the student's parent after the student complies with any other disciplinary consequences that are imposed, unless the violation involves potentially illegal activity in which case the PCD may be turned over to law enforcement. A confiscated device will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent or turned over to law enforcement. School officials will not search or otherwise tamper with PCDs in District custody unless they reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with Policy 5771 - Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a PCD to school for a designated length of time or on a permanent basis.

A person who discovers a student using a PCD in violation of this policy is required to report the violation to the building principal.

Students are personally and solely responsible for the care and security of their PCDs. The Board assumes no responsibility for theft, loss, or damage to, or misuse or unauthorized use of, PCDs brought onto its property.

Parents are advised that the best way to get in touch with their child during the school day is by calling the school office.

VIOLATIONS OF THIS POLICY

First Time Offenders: Devices will be taken from students and brought to the office. Students may pick up their device at the end of the school day, after a conference with administration.

Second Time Offenders: Devices will be taken from students and brought to the office. Students will be required to drop their phone off BEFORE school in the office for 5 days. The student may pick their phone up at the end of the day, but must drop it off the next morning. Parents will be notified by the Administration.

Third Time Offenders: Devices will be taken from the student and brought to the office. Students will have the option of having their parents come to the school office to pick up the device or have administration keep the phone for one week.

Fourth Time Offenders: Devices will be taken from the student and brought to the office. The device will be held for one week and parents will be required to pick the device up.

After the fourth offense, the device will be taken from the student and they will lose the privilege of possessing a personal electronic device for the remainder of the year. The parent may pick up the confiscated device, but the student cannot be in possession of a personal electronic device, in the school building, for the remainder of the school

year. Students violating this policy could be disciplined up to and including expulsion. The administration is not required to reimburse students or parents for confiscated devices if the students have violated these rules.

2. The blacktop parking areas on the east and south sides of the school.
3. The vestibule areas between the inner doors and the outside doors located throughout the school.

During lunch students are allowed to be in the commons or courtyard outside the commons area.

SEARCHES AND SEIZURES (District policy #5771)

Desks, lockers, books and equipment loaned to students remain school property while in the possession of the student. Such property is provided for the convenience of the student and shall be used only for authorized school purposes.

Students will be expected to exercise discretion in bringing personal items to school, recognizing that any personal items in their lockers or desks or on their person, which constitutes evidence of an illegal act or school rule violation, shall be subject to seizure.

Searches conducted by school personnel shall be considered reasonable provided the following criteria are met:

1. The administration or their designee has the right to search all student desks, backpacks, lockers, books and other equipment loaned to students for purposes of cleanliness, finding missing library books and other school equipment or maintaining the integrity and safety of the school environment.
2. The principal, assistant principal, or their designee shall be authorized to search a student's person, locker, desk or personal property, such as handbags or other items in the student's possession, when there is a reasonable belief that a student is in possession of items which are contrary to law or school regulations.
3. Any unauthorized item that is found in searches shall be subject to seizure. The items may be given to the parent or guardian of the student, returned to its rightful owner, or forwarded to law enforcement officials as the circumstances may warrant.
4. Vehicles parked on school property will be subject to searches by administration based on reasonable suspicions that the vehicle contains illegal or dangerous objects defined in the student handbook. If a student enters his/her vehicle during the school day without permission or a pass, the vehicle may be searched.

According to school and board policy, no profane, obscene, offensive or suggestive language or pictures may be used in the newspaper. Other publications may not be distributed without permission from the administration.

PLEDGE OF ALLEGIANCE

State law requires that the Pledge of Allegiance to the United States is recited daily. This will be recited each morning as part of the daily announcements. It is not mandatory for students to participate in the reciting of this pledge. However, students who choose not to participate are required to sit quietly and show respect for those who are participating. Proper protocol is for one to stand and face the flag with the right hand over one's heart.

The person in charge shall complete the accident report form and forward this form to the Principal's office.

ACTIVITIES & ASSEMBLIES

School-wide activities such as homecoming, snow week, lyceums, spring awards program, NACC PowWow, and Red Ribbon Week are planned within the school day. Although the activities, generally, are not academic in nature, they are considered to have educational value in a variety of ways. All students are encouraged to attend and to participate. Building passes are not issued to students who do not want to attend or participate in these activities. Since these activities are part of the regular school day, attendance in school is required. Students who do not attend or participate in all school activities are required to attend a supervised study lab where they are expected to be engaged in learning.

ANNOUNCEMENTS

All announcements will be made at the beginning of the first period. FAMILY NIGHT

Wednesday is designated as family night in Hayward. Every reasonable effort should be made not to schedule school functions to interfere with church activities. All activities are to be concluded by 6:30 p.m.

HAYWARD HIGH SCHOOL HONOR SYSTEM

The Honors system is a point-based system in which students are recognized for their rigorous coursework. In addition, it encourages students to take more challenging classes. Honor points, earned by a student successfully completing a designated course, are used as a multiplier to determine a student's final distinction at graduation. Unweighted GPAs will still be provided to students, but class rank will no longer be recognized on student transcripts.

CALCULATING AN HONORS SCORE

Add up the total number of honor points earned through honor courses. Multiply your honor points by your GPA to determine your honor distinction.

- A minimum 3.0 GPA (cumulative) is required to earn an Honor distinction. Any GPA below 3.0 is not eligible. Rounding does not apply.
- Students must successfully complete an honors course to earn a point.
- To be considered for Honors standing, students must have a GPA of 3.0 at the end of the first semester of their senior year.
- Second semester senior year honors courses are included. GPA is considered final after the first semester of the senior year is complete.

HAYWARD COMMUNITY SCHOOL DISTRICT-SCHOLARSHIP SELECTION TIE BREAKING PROCEDURE

Hayward High School believes excellence in education goes beyond the single criteria of grade point average, and should be determined by such factors as rigor of coursework and test scores. The following procedures will be used to break ties resulting in identical class rank averages that may affect the recipients of the state scholarship. The high school guidance counselor will compute the rank based on transcripts and test results.

If a tie exists the procedures are as follows:

Highest ACT composite score. *(The final eligible ACT score would be the December score of a senior year).*

If a tie still exists:

1. The second tiebreaker will be the highest subscore on the ACT Test.
2. If still tied, the second, third, & fourth subscores will be used.
3. In the event there is still a tie, a coin flip will determine the scholar.

DANCES

Formal and informal dances are held during the school year as part of the school's co curricular activities. They are open to Hayward High students in good standing and their guests. Guests must be enrolled in high school and under the age of 21. No middle school students will be allowed at high school dances. All dances are scheduled through the high school office.

FIELD TRIPS

Off campus field trips that are coordinated with the curriculum serve as a valuable educational experience. Each student involved in an out-of-the-district field trip must return a parent/guardian-signed permission form for each field trip. This approval slip will indicate the basic itinerary and the time schedule of the field trip as well as emergency medical information. These trips are school-related activities, thus all school regulations apply.

SAFETY DRILLS

Wisconsin State Law requires that all schools hold periodic safety drills to prepare for crisis events. Everyone present during the performance of these drills, without exception, is expected to participate in these drills. Schools are required to perform a fire drill every month of school, two lockdown/A.L.I.C.E. drills and tornado drills. Students are expected to take all drills seriously and follow directives of teachers.

TORNADO AWARENESS

The school plan for action in case of a tornado will be put into effect by means of the public address system. All students are to stay indoors or move indoors if outdoors. **TORNADO WATCH** means conditions are conducive for tornadoes to develop. **TORNADO WARNING** means a tornado has actually been sighted.

FOOD SERVICE ACCOUNTS

The HCSD offers a daily breakfast and lunch program for all students. Students will be issued a lunch account number. The School District annually sets the cost of meals.

LOCKERS

Lockers are school property and are provided as a convenience to the student for storage of books, supplies, jackets, coats and the like. Student lockers are assigned by the office and are under the jurisdiction of school authorities. They are to be kept clean and orderly, free of trash, old papers, etc.

- A locker is to be used only by the student assigned to it.
- Lockers are subject to random or periodic inspection or search.
- The administration or designated school personnel has the right to search all or any student locker(s) if a search is considered necessary to maintain the integrity of the school environment, look for stolen materials, or to protect other students.
- It is in the best interest of the student to keep his/her lock combination confidential.
- The school is not responsible and cannot replace or pay for anything stolen out of one's locker.
- Never keep valuables or money in the locker. Students are urged to bring valuable items to the office for safekeeping.
- The school administration will not investigate thefts from unlocked lockers.

LOST AND FOUND

Lost and found items will be kept in the office. Textbooks will be returned to the teachers involved and library books to the L.M.C. Articles not claimed within 30 days will be discarded or donated to local thrift shops.

Students in grades 10-12 are eligible to take college level courses during the fall, spring or summer semesters. Students must submit applications no later than **March 1 for fall semester or summer courses and October 1 for spring semester courses** to the guidance department. Applications can be picked up in our guidance department. Students may enroll in a UW System institute or private, non-profit institution of higher education (IHE). Students may enroll in one or more courses for high school credit, post-secondary credit or both. The costs of ECCP are shared among school district, the state, and in some cases, the student's family.

Start College Now allows students to enroll in college courses at a Wisconsin Technical College. The school district will pay for the course if the course is not comparable to any courses offered by the school district. Student must have completed 10th grade and are in good academic standing with an acceptable disciplinary and attendance record. Students can take as many credits as desired, as long as the school district has approved. Courses through Start College Now can only be taken during the academic year (Fall and Spring semesters).

If a student receives a failing grade in a course, or fails to complete a course at an institution of higher education technical college for which the school board has made payment, the pupil's parent or guardian, or the student if he or she is an adult shall reimburse the school district the amount paid on the student's behalf. If the reimbursement is not made the student is ineligible for any further participation in these programs.

PARENT CONFERENCES

Parents may make appointments for conferences with teachers, counselors or the principal by telephoning the school office (715-634-2619 ext. 9501).

PERSONAL PROPERTY

Students should put their names on all items of personal property, all books, notebooks and personal belongings such as physical education uniforms and wearing apparel. Lost items should be reported immediately to the office.

SCHEDULE CHANGES

Students are registered for classes every spring using our Skyward arena scheduling procedures. Students are advised of their academic standing and graduation requirements by our guidance department at time of course selection in spring. Course enrollment helps us plan our master schedule, number of course sections, staffing and balancing of class enrollment. Students are advised to work with their parents before selecting courses. Since students choose their courses they will remain in their courses they have selected at the beginning of the beginning of the year.

Schedule changes for the first five days of semester and will be allowed only if circumstances arise that justify a schedule change. Any change must be parent, teacher, counselor and principal-approved.

Schedule changes will be made for the following reasons:

- Academic misplacement - student is enrolled in the wrong level of class
- Program change - Student has been enrolled into a course no longer offered due to low enrollment or staff changes.
- Priority will be given to students who are missing a course necessary to graduate in the upcoming school year.

Personality conflicts will not be justification for changing a class. All conflicts need to be resolved in a mature, professional manner. We ask that the student, parent take the initiative to meet with the teacher to work through concerns. If a resolution is not reached, the administration should be contacted to help resolve the concerns.

After the first week of a class, a course dropped without following the above action steps may be recorded as a withdrawn failure.

PROGRESS REPORTS

Student progress reports may be mailed anytime to parents of students. These reports do not necessarily mean a student is failing, but a deficiency is noted which needs correction.

REPORT CARDS

Report cards will be mailed to parents/guardians at the end of each term and are available on the district website through parent access link on Skyward.

SCHOOL CLOSINGS

The decision to close school because of weather is made by the Superintendent of Schools. Announcements in this regard will be made over Radio Stations [WHSM](#), [WRLS](#) and [WOJB](#). Closings will be posted on the District's website. An automated

phone message will also be sent to each household as early as possible. When school is cancelled, all school activities will be cancelled including athletic practices.

VISITORS

Students will not be permitted to bring visitors to school during the hours and times that school is in session (8:00 a.m. to 3:30 p.m.) unless pre-approved by the Principal.

TELEPHONES

Students will be allowed to use the office phone before school, during lunch, or after school to contact parents/guardians. Students will not be called to the telephone during school hours. Messages will be delivered through the school office in case of real emergencies. Students may not be excused from classes to make return non-emergency telephone calls.

TEXTBOOK DAMAGE AND LOSS

Textbooks and library books are provided by the school district for student use. Any writing or defacing that can be determined as deliberate will result in appropriate action being taken by the school or law enforcement.

The charge to students will be based on a ten-year lifetime if a book is lost or damaged. The teacher will determine what to charge students by consulting the textbook register in the office. (For example: a two-year old book that is lost has 80% of its life remaining. If the book costs \$100.00, the student is charged \$80.00.) Cost of damaged books will be based on the age of the books and the degree of damage. Students are to pay for damaged and lost books in the office.

- **Dances** - Determined by the sponsoring organization.
- **Locker and Lock Fee** - \$10.00. This is a one-time fee upon enrollment into Hayward High School. Replacement fee for PE locks is \$5.00

Three members are elected annually from the freshman, sophomore, and junior classes, four from the senior class. One or more seniors must have had previous experience on the Council.

The Student Council can be effective only if each student takes an active interest in the selection of representatives and in the projects of the organization. Students should vote for members who have the time to spend and who are interested in the welfare of the entire school, but individual responsibility does not end there. Students should make their opinions known and be willing to help with the activities.
