

## **Hayward Community Schools Board of Education Goals**

**2022-23**

### **SAFETY**

- Hayward Community Schools will be a safe environment for staff, students, parents, and the community.
- The Hayward Board of Education will ensure that there is thorough and complete training for all staff and students, as well as making safety procedures available to all persons entering the buildings or grounds.
- Policies will be uniform in all buildings.

### **QUALITY EDUCATION WITH RESULTS**

- Test scores and achievement will return to or exceed pre-pandemic levels.
- Teachers and Administrators will be consistently evaluated to assure that District standards are being supported.
- Community Education will expand to offer all residents quality opportunities.
- The Achieve Academy will continue to support students needing additional assistance.
- FACE will be expanded and improved to develop graduates who are workplace ready.
- Transcribed credits will be available and expanded.
- Graduation rates will continue to rise.

### **LIFE SKILLS/MENTAL HEALTH**

- “Be the One” will be supported in all buildings with the goal of having all students identify the educator in the district that makes the district a friendly and safe place.

**All Board goals will support the continued building and renovation project, designed to assure a safe educational environment that supports progress and meets the most current educational research.**
